

The nominating committee consisted of:

Peter Rempel... congregant

Gayle Langely... deacon

Sara Moran... elder

The committee was tasked with filling two deacon openings and two elder openings. It has been the nominating committee's policy to give current elders and deacons who are eligible for re-election, the first right of refusal.

For the deacons, Dale Baan and Jill Buckingham's terms expired in Jan 2016. Jill Buckingham agreed to run for another two year term. The committee put forth Jill Buckingham and Barbara Meyer to be elected to two year terms. They were elected at a congregational meeting.

For the session, Geoff Elliott's and Bob Spaet's terms on session expired in Jan 2016. The committee put forth Dwight Hull and Jennifer Brown for two year terms on session. They were elected at the same congregational meeting that elected new deacons.

We thank all for their commitment and for their volunteering their time to Trinity Church in the Pines. It is hoped that others will come forward and volunteer in a year when some positions become available.

Respectfully submitted,
